These Pieces were Composed, & the Stops, or Registers, marked, for performance on the Grand Organ of St Eustache, Paris, which has Four Manuals & a large Pedal Organ. M. Batiste intimates that as few Instruments possess the resources of the Organ at which he himself presides, these pieces may be adapted to the power, variety & specialities of the particular Instrument on which they are played. The Editor of this Edition has therefore arranged these Compositions for performance on any ordinary Three Manual Organ; at the same time most of them can with a little extra management & adroitness, be very well & effectively played on an Organ with Two Manuals of full compass (C C. to G in alt) & the customary variety of Registers.

ASHDOWN & PARRY, HANOVER SQUARE.

These Pieces were Composed, & the Stops, or Registers, marked, for performance on the Grand Organ of St. Eustache, Paris, which has Four Manuals & a large Pedal Organ. M. Batiste intimates that as few Instruments possess the resources of the Organ at which he himself presides, these pieces may be adapted to the power, variety & specialities of the particular Instrument on which they are played. The Editor of this Edition has therefore arranged these Compositions for performance on any ordinary Three Manual Organ; at the same time most of them can with a little extra management & adroitness, be very well & effectively played on an Organ with Two Manuals of full compass (C.C. to G in alt) & the customary variety of Registers.
